Help4Health

H4H

## Healthcare employers need *your* help!

Hundreds of healthcare employers across the stare are searching for qualified people to fill positions.

Help4Health (H4H) is a program that provides FREE training and job placement in the healthcare field!

Come and see if a job in healthcare is right for you!

As a participant you can:

√ Receive a job readiness evaluation

√ Get assistance with preparing resumes and applications

√ Receive training for the medical field

√ Become a Certified Nursing Assistant (CNA)

√ Be connected to benefits and services throughout your community

√ And much more...
